Memorial Dealer Agreement

1. I certify that I have fully described the work for which this application has been presented.
2. I certify that this work will be done with materials guaranteed free from all defects and flaws and that the workmanship will be of the highest standard.
3. I certify that workmen engaged in erecting memorials will be subject at all times to the guidelines set forth by the cemetery management.
4. I certify that before any monument foundation is poured, the opening must be inspected by cemetery management.
5. I understand that all monument foundations must be a minimum of thirty-six inches deep.

No work is to begin until this permit has been approved. Approval is contingent upon the following:

1. Two copies of this application must be signed by the purchaser, completed by the memorial dealer, and submitted to the parish manager. Separate applications need to be made for each memorial being purchased.
2. A \$50.00 fee must accompany each application.
3. Any outstanding debts owed by the plot holder must be reconciled before an application to erect a memorial will be accepted.
